We have much to be thankful for on Thanksgiving, but an incredible meal is high on the list. Why limit Thanksgiving menu fare to just one awesome family dinner? These restaurants have Thanksgiving-inspired fare you can enjoy before or after the main event.

Pumpkin Hominy Soup

Bleu Bohème's soupe de citrouille BLEU BOHÈME

San Diego's award-winning French restaurant, [Bleu Bohème](#) has a pumpkin-hominy soup and the Pumpkin Pie martini. Bleu Bohème's soupe de citrouille is a pumpkin-hominy soup topped with crispy parsnips and chive crème fraîche. "This time of year, pumpkin is typically used in desserts and sweets such as pumpkin pies," says Diego Paul Lopez, Bleu Bohème's chef de cuisine. "At Bleu Bohème, we wanted to take a different approach to the vegetable, so we created the soupe de citrouille. The spices and hominy in the soup highlight the pumpkin's savory notes and reimagine the use of this classic seasonal vegetable."
